

# FH84P | Ripple 42 (Custom)

## DESIGN

---

|                                |   |
|--------------------------------|---|
| Product Type                   | Synthesis - PDI (Precision Dye Injection) |
| Construction                   | Tufted - custom 1500 sq yd minimum        |
| Surface Texture                | Textured Patterned Cut & Loop             |
| Gauge                          | 1/10"                                     |
| Stitches Per Inch              | 13.0                                      |
| Dye Method                     | Precision Dye Injection                   |
| Backing Material               | Wedlok <sup>®</sup>                       |
| Fiber Type                     | Colorstrand <sup>®</sup> Nylon            |
| Tufted Face Weight             | 42.00 oz per sq yd                        |
| Pile Thickness                 | 0.281                                     |
| Density                        | 5,381                                     |
| Weight Density                 | 225,993                                   |
| Product Thickness (Wedlok)     | 0.374                                     |
| Product Thickness (Wedlok Air) | 0.539                                     |
| Width                          | 12', 13'6", 15'                           |

## SUSTAINABILITY

---

|                               |          |
|-------------------------------|----------|
| Iaq Green Label Plus          | 6678     |
| Pre Consumer Recycled Content | 49%      |
| Nsf 140                       | Gold     |
| Declare Label                 | Declared |

## PERFORMANCE

---

|               |                                      |
|---------------|--------------------------------------|
| Static        | Less than 3.5 K.V.                   |
| Flammability  | Meets or exceeds requirement Class 1 |
| Smoke Density | 450 or Less                          |

## SERVICE

---

|            |  |
|------------|--|
| Warranties | 10 Year Limited Wear Warranty, Lifetime Static |
|------------|--|
